Awesome Machine Learning

Awesome Machine Learning

A curated list of awesome machine learning frameworks, libraries and software (by language). Inspired by [awesome-php](#).

If you want to contribute to this list (please do), send me a pull request or contact me [@josephmisiti](#). Also, a listed repository should be deprecated if:

- Repository's owner explicitly says that "this library is not maintained".
- Not committed for a long time (2~3 years).

Further resources:

- For a list of free machine learning books available for download, go [here](#).
- For a list of professional machine learning events, go [here](#).
- For a list of (mostly) free machine learning courses available online, go [here](#).
- For a list of blogs and newsletters on data science and machine learning, go [here](#).
